## HOW DO I QUALIFY TO PLAY?

Qualification is solely based upon prior tournament participation so that a member may not limit their tournament entries to only the major tournaments.

**Prairie Landing on 6/11– You must have played in and completed\* at least one (1) non-major tournament before June 11<sup>th</sup>**

**Kemper Lakes on 7/11 – You must have played in and completed at least two (2) non-major tournaments before July 11<sup>th</sup>**

**Village Links on 8/11 – You must have played in and completed\* at least three (3) non-major tournaments prior to August 11<sup>th</sup>**

**Balmoral Woods on 9/24 – You must have played in and completed\* at least four (4) non-major tournaments prior to September 24<sup>th</sup>.**

\* “Completed” means finishing a tournament and returning a score that is posted. A disqualification or withdrawal is not a “completed tournament”. If your qualifying tournament before a major is cancelled due to weather or other conditions outside of the tournament committee’s control or if you withdrew from your qualifying tournament due to injury, illness, or emergency, the WCGT Board will determine on a case-by-case basis your eligibility to compete in that major tournament.
